I've gradually grown used to it.

Though my life with Senko-san did start out quite sudden,

I've started to feel like having this fluffiness near me is only natural.

But it's scary how quickly one can adapt.

ガチャ

I'm back-

Oh no, I'm getting too greedy ...

ガタン

I have to remember how special this situation is and be thankful about it.

MY NAME IS SHIRO!

Well, if she's fine with our tiny house ...

My apology, dear.

She said that she would not leave until she is fed.

Besides,

YOU CATCH ON FAST.

and when it comes to eating, the more the merrier.

...For some reason,

More fluffiness is a blessing ...

YOUR WHITE TAIL IS REALLY PRETTY.

EH!

UH, See,

!

The blame lies with Shiro's beauty ...

Fu Fu

IT'S UNDER-STANDABLE FOR YOU TO FALL FOR IT!!

MY PURE WHITE TAIL IS A SIGN OF MY PURE LINEAGE.

Well that ruined her cool ...

Uya

THERE IS NO POINT IN HIDING!

MY POWER OF CLAIR-VOYANCE CAN SEE THROUGH ALL THAT EXIST.
